Peter Bushmann (right) welcomed locals to the West Bay Road Fire Hall on Sunday, August 1, for a pig roast in celebration of he and his wife's joint 50th birthday. The event was also a way of saying thank you to their friends who helped them since they became permanent residents in 2005. He and wife Sybille are originally from Hamburg, Germany. Bushmann is seen here with Louis Boudreau, who helped cater the event. With them is a 187 pound pig which fed 120 people. The Bushmanns raise organic pigs and chickens, and Peter is a skilled metal worker who built the pig roaster seen here.
